Greetings from the Brooklyn Branch of the Cuyahoga County Public Library! Remember to stop into the branch to check out all of the great materials that we have for you to enjoy while out in your yard or on vacation. The branch is also offering some great programs in July; please join us for them.

If you haven't done so yet, please stop in and see our bright, colorful refreshed branch!

The Friends of the Brooklyn Branch Library is a volunteer group who work in support of the library. The group is comprised of hardworking, dedicated individuals who are committed to making their library a true community resource. The funds that they raise, primarily through used book sales, are used in a variety of ways, including allowing the branch to offer great programming to our customers. Please consider supporting the library by joining this extremely worthwhile group. Moreover, the Friends' Board is always looking for people that want to take an active role in the group. Ask at the branch for more details.
