Tiedeman Road, to I-480 West Bound Entrance Ramp Closure

On behalf of the City of Brooklyn, we would like to advise you that starting Thursday, September 8, 2016 at 8:00 p.m. thru Monday, September 12, 2016 at 6:00 a.m. the I-480 west bound entrance ramp will be closed. The west bound ramp will be closed for these 4 days as part of the Tiedeman Road Improvements project. The closure is necessary in order to remove and replace the existing pavement.

For those of you who will need to enter I-480 west we have established a detour that will direct you around this temporary closure to a nearby highway ramp that will allow access onto I-480.

Quality Control Inspection, Inc. is the City's project management group providing engineering and inspection services and overseeing the work of the City hired contractor. Should you have any questions or special needs, please feel free to contact me or Rick Capone at 440-359-1900 during business hours.

Please observe all traffic maintenance signs and monitor your speed closely. It is our goal to keep the project safe for both the workers and the traveling public.

We thank you in advance for your patience and understanding.

Respectfully,

Margaret A. Robinson, P.E.
